- i. This memorandom is for information only. In response to
 your query for commute on the referenced memoranium I have just three
 notate to noise.
 - Congress in establishing a wider knewledge among the Mashers of our general competence. I still feel that we can improve on this by bringing more paople into the not the knew Geogrammes and can in their own right best a lumebace.
 - in both Bouss by briefiel immiliately.
 - vinced that at least once furing each esseion of the Congress the GIA subconstitues. Sai in this I would include both Armed Bervices and Appropriations, should issue public reports to the other Memberr to the effect that they have recently mat with the GIA and had their information requirements satisfactorily faifilled regarding the competency and efficiency of GIA operations. I believe that
